

Melon & Tequila Cocktail

This cocktail is as easy as 1-2-3. This is the perfect way to use up leftover melon and a good excuse if you need a drink at the same time. The chili powder adds a fun touch, and if you don't normally choose a sweeter drink -- feel free to omit the agave. This is best served well chilled in chilled glasses.

Makes 1 cocktail

2 oz Tequila Reposado

1 oz Lime Juice

3/4 oz Cointreau or other orange liqueur

1/2 oz Agave Nectar

4 oz Cantaloupe or ripe melon (peeled, chopped)

1/8 tsp Chile de Arbol Powder

Muddle cantaloupe, agave nectar, and orange liqueur. Add rest of ingredients and ice, shake, and double strain into cocktail glass (or a rocks glass).
